Cordially invite you for a CME on

### SUICIDE PREVENTION : UNDERSTANDING THE PATIENT AT RISK THEME : WORKING TOGETHER TO PREVENT SUICIDE

**VENUE: Nehru Science Centre, Worli | DATE: 2nd Dec 2018 | TIME: 9:30 AM to 6:00 PM**

Dear Friends and Colleagues,

Greetings on behalf of the Organizing Committee from Mumbai and a warm welcome for the IPS Specialty Section CME on Suicide Prevention. We are really thankful to the executive council of IPS for giving us this opportunity to host the CME for “**Working Together to Prevent Suicide**”.

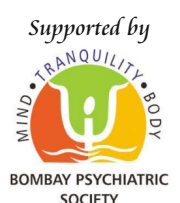

Suicide is a major cause of death and though there have been efforts to educate families and health workers to be aware of warning signs of pending suicide, there has been limited information or practical strategies available for people at risk of suicide or for those who have suicidal thoughts. This CME is a step towards achieving **Suicide Prevention, Understanding The Patient At Risk And Building Resilience**.

Come and participate in this academic fest with stalwarts and partake in experience sharing. It is Mumbai calling you on 2nd Dec 2018 for a memorable event. It will be your presence that will make the CME a grand success.

With Warm Regards

**Dr. Shubhangi Parkar**
